The Back 2 Work Program is a paid transitional work that helps individuals with hands-on job training, employment related skill development that promotes positive work habits, and successful transition into full-time employment

- Earn \$15 an hour
- Work anywhere from 32-40 hrs per week
- learn soft skills and hard skills
- Gain experience to build up resume
- Workshops to transition into full-time employment with state agencies like caltrans
- Assistance with entry in multiple career pathways for high earning pay
